RECOGNIZING OUR COMMUNITY PARTNERS

To every donor who gave in 2025 — whether it was your first gift or your tenth — thank you for believing in our shared vision. Your generosity doesn't just fund programs; it builds hope, creates opportunity, and strengthens the bonds that make Three Lakes special.

Together, we're building something lasting.

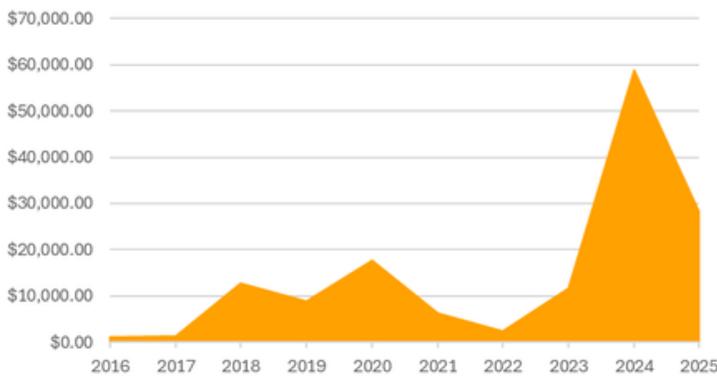

A MESSAGE FROM YOUR BOARD OF DIRECTORS

While 2024's Veterans Memorial campaign brought our community together in a remarkable way, 2025 demonstrated something equally powerful — the steady, enduring commitment of neighbors who believe in Three Lakes' future. We have come a long way since giving out our first \$310 grant to the Three Lakes PTO in 2017. In fact, your generosity has supported over \$148,000 in scholarships and grants since 2016.

In 2026, we're exploring opportunities to improve our parks and develop economic opportunities, always guided by our mission to strengthen Three Lakes for everyone who calls it home. And it's your generosity that allows us to make sure that Three Lakes is the place to LIVE, WORK, and PLAY.
